Also - I just checked my voice mail and had a message from Laura with Rockefeller's office asking if someone can give her a call at 224-1846. Can someone give her a call too? Thanks!

Subject: EPA's Role in Emergency Response and Press Statement

Here is the link to a brief description of EPA's role during an emergency:

EPA's Role in Emergency Response

<http://www2.epa.gov/emergency-response/epas-role-emergency-response>

Latest EPA Press Statement (From 11:44AM)

The EPA is closely monitoring the chemical spill in Charleston and is working closely with FEMA and other federal partners who are responding to the incident. The Agency has deployed on-scene coordinators to assist with water sampling and stands ready to offer additional assistance to the State of West Virginia, who is leading the response on the spill.

Many thanks,

Raquel Snyder
